2023-2024 EMPLOYEE HOLIDAY SAVINGS PROGRAM - PARTICIPATION FORM

PMI Payroll Management is pleased to offer the 2023-2024 Holiday Savings Program. If you choose to participate, payments will be deducted each payday starting with your first paycheck in November 2023. The final payroll deduction will be taken on your last payroll in October 2024. Your Holiday Savings Club check will be processed and mailed to your employer on November 18, 2024.

Interest Computation Method

PMI uses your average monthly balance over the savings period by adding the principle in the account for each day of the period and dividing that figure by the number of days in the period. Interest begins to accrue no later than the business day we receive credit for the deposit. The interest on your account is not compounded. Interest will be credited to your account when your predesignated savings amount is paid in full.

Changes In Plan Agreement

If you close your account prior to completion you will not receive any accrued interest. No change in payroll deduction is allowed after the agreement is signed, submitted and the first payroll deduction is withdrawn for the plan year.

Rate Information

If all payroll deductions have been made as scheduled, the amount of interest paid to you on November 18th 2024 will be 1%.
